Visiting to the United Kingdom for Future Research Collaboration  
[University of Manchester, Nottingham Univ. & Capsis Inc.]  
(London, February 1~4, 2010)
Congratulation!
Mr. Whi Dong Kim (M.S. Candidate) received an 16th Samsung Human Tech Research Paper Award from the CEO of Samsung Electronics Company
[(축) 열유체 및 에너지환경 나노기술 연구실 석사과정 김휘동군. 삼성전자 휴먼테크 논문상 수상하다.]
(Seoul, Korea, February 24, 2010)
Hovercraft Contest in Nanofluid Dynamics Class
(Miryang, Korea, March 31, 2010)
Egg Drop Contest in Creative Design Class
(Miryang, Korea, April 02, 2010)
Fuel Cell Workshop
(Miryang, Korea, April 15-16, 2010)
Having a Dinner with Prof. Sivaram Arepalli in the Dept. of Energy Science in the Sungkyunkwan Univ. (Miryang, Korea, April 21, 2010)
Visiting to the National Museum in Gyungju with Dr. Paul Lambert & Prof. Robert Cottis
(Gyungju, Korea, April 29, 2010)
Paper Bridge Competition in Creative Design Class
(Pusan Campus, Korea, April 30, 2010)
Glider Competition in Nanofluid Dynamics Class
(Miryang Campus, Korea, May 03, 2010)
Computer-Aided Design Class
(Pusan Campus, Korea, May 08, 2010)
Celebration for Teacher's Day with Generous Students
(Miryang Campus, Korea, May 14, 2010)
Climbing the Geumjeong Mountain with Undergraduate Students in the Dept. of Nanomechatronics Eng. (Pusan, Korea, May 20, 2010)
Enjoying a Baseball Game (Rotte vs. Doosan) at the Sajik Baseball Playground with Advising Undergraduate Students (Pusan, Korea, May 27, 2010)
Enjoying a Baseball Game (Rotte vs. Doosan) at the Sajik Baseball Playground with Advising Undergraduate Students (Pusan, Korea, May 27, 2010)
Water Rocket Contest in the Creative Design Class
(Pusan Campus, Korea, June 04, 2010)
English Presentation Contest in the College of Nanoscience and Nanotechnology (Miryang, Korea, June 22, 2010)
Congratulation! Mr. Whi Dong Kim and Ms. Eun Kyung Kim received the best presentation awards at the Korean Association for Particle and Aerosol Research Conference 2010 [경축. 2010 한국입자에어로졸학회에서 김휘동(우수논문발표상) 및 김은경(우수포스터발표상) 수상] (Busan, Korea, July 02, 2010)
Spending the Summer Vacation with Research Laboratory Members in Jeju Island
(Jeju, Korea, August 10, 2010)
Spending the Summer Vacation with Research Laboratory Members in Jeju Island
(Jeju, Korea, August 10, 2010)
2010 Korea-Japan Student Workshop in the Hiroshima University
(Hiroshima, Japan, August 30, 2010)
2010 Korea-Japan Student Workshop in the Hiroshima University
(Hiroshima, Japan, August 30, 2010)
Visiting to the Microfactory Lab. Tour at the Tempere University of Technology (Helsinki, Finland, September 24, 2010)
Visiting to the Brunel University in London
(London, UK, September 27, 2010)
Visiting to the LG Electronics with Undergraduate Students in the Department of Nanomechatronics Engineering (Changwon, Korea, October 28, 2010)
Visiting to the Samsung TechWin with Undergraduate Students in the Department of Nanomechatronics Engineering (Changwon, Korea, October 28, 2010)
2010 Korean-Japanese Student Workshop between Pusan National University and Shizuoka University (Busan, Korea, November 03, 2010)
Robot Assembly and Control Session in Numerical Analysis Class
(Miryang, Korea, November 24, 2010)
Touring around Boston Downtown Area
(Boston, USA, December 02, 2010)
Touring around Boston Downtown Area
(Boston, USA, December 02, 2010)
Visiting to the Quincy Market in Boston
(Boston, USA, December 02, 2010)
Kim, Whi Dong!! He Finally Visited to the Harvard University
(Boston, USA, December 03, 2010)
Short Trip around the Harvard University Campus (Science Center & Harvard Statue) (Boston, USA, December 03, 2010)
Short Trip to the MIT Campus
(Boston, USA, December 03, 2010)
Standing in front of MIT's Great Dome
(Boston, USA, December 03, 2010)
